Hi Kara!

Do you happen to have a contact list for all the people from Ohio who are attending the conference next week? Senator Seitz said that you had one previously and he found it very useful. If you have one, could you please send it to me?

Thanks so much!

Kara,

Josh's last name is Sanders, but it's listed it as 'Saunders' in your chart. If it's not too much trouble, would you mind changing that? Thank you!

Here's the dinner schedule, everyone! Let me know if you have any questions. Wednesday has the Hospitality reception from 6:30 – 8:30. I'm not sure what it will be, but we might want to schedule dinner a little later incase people want to attend that first. But whatever you want to do, just let me know times and locations so that I can put it into everyone's personalized schedule.

Thanks!

Here's the dinner schedule, everyone! Let me know if you have any questions. Wednesday has the Hospitality reception from 6:30 – 8:30. I'm not sure what it will be, but we might want to schedule dinner a little later incase people want to attend that first. But whatever you want to do, just let me know times and locations so that I can put it into everyone's personalized schedule.

Thanks!

I was told of your fabulous work this week and you are true to the stories I've been told! Thank you so very much for all your hard work! So I can make sure our records are clean, can you send me the 4 new names you've added? I know our registration department is going through the rush of registrations we received this week and I'll send you an updated list when they finish so you can see who we have as registered.

Thanks again!

Hi, Danielle!

We have around 11 - 12 members going to ALEC. Two of them are brand new members of ALEC. I only have a handful of ALEC members that haven't responded to me about attending the conference, so I think we're about maxed out there. In the past 2 weeks I've added 4 new members to our membership roles. We've also had a letter go out to the remaining non-member Republican Senators encouraging them to join ALEC. I will, of course, work on the remaining handful of House Republicans who haven't yet joined ALEC.

But as you can see, I think we've got it well in hand!

Good Afternoon!

I wanted to follow-up to Laura's email below by checking in with you both to see if you have any questions. I think it'd be great if we could ramp up Ohio's representation at this meeting so please continue to pass along meeting information to everyone interested in attending. Additionally, I wanted to see if you all had any prospective members you've been in contact with that I can assist with getting on board. Specifically, we're trying to ramp up our Public Sector members before the end of the year so if you have anyone you need me to reach out to please let me know as I'm happy to help.

Please feel free to contact me at any time as I'm more than happy to help!

Best,  
Danielle

**State Chairs Teleconference**

A teleconference has been set for Monday, November 14<sup>th</sup> at 3 p.m. Eastern to give you the opportunity to speak with each other and your State Chair Board Representatives prior to the Board Meeting at this year's States & Nation Policy Summit. Dial-in information will be sent to you.

**States & Nation Policy Summit Registration**

Please encourage your members to register for the upcoming States & Nation Policy Summit. The deadline for Standard Registration and housing is November 7<sup>th</sup>. After that time, we may not be able to secure housing for attendees in the host hotel, which also means that they won't get the host hotel discount on registration. Please encourage your members to register prior to the November 7<sup>th</sup> deadline. We have attached a sample e-mail that you can send to your members.

**Renewing Legislative Members**

If you have legislative members that have not renewed their membership after expiring 12/31/2010, they will be dropped from the rolls prior to SNPS. A staff member will be reaching out to you soon to discuss these members before we drop them from your rolls. Please make a final attempt to reach out to these members and get them to renew.

**SNPS Scholarships**

ALEC is providing States & Nation Policy Summit Scholarships for new attendees again this year. ALEC provides \$2,000 in scholarship money per state for new attendees. Usually, this is divided up into 2 scholarships of \$1,000 apiece. These can be broken into smaller scholarships if needed – for example, 4 scholarships of \$500 each.

Attendees must be attending their first ALEC national meeting. They may have been to one of the academies or something similar, but not to one of the "big 3" meetings: Spring Task Force Summit, Annual Meeting, or States & Nation Policy Summit.

**States & Nation Policy Summit Events**

*State Chairs Meeting* – Wednesday, November 30<sup>th</sup> from 9:00 to 11:00 a.m.

*Chairman's Reception* – Thursday, December 1<sup>st</sup> from 5:30 to 6:30 p.m.

# AMERICAN LEGISLATIVE EXCHANGE COUNCIL

## **Resources for Ohio Spring Task Force Host Committee**

### **Economic Impact Statement**

On April 29-30, 2011, the American Legislative Exchange Council will be hosting its Spring Task Force Summit in Cincinnati, Ohio. Nearly 500 state legislators and business leaders from across the nation will be coming to Cincinnati to discuss proactive policy solutions for the states. This is a unique opportunity to showcase Ohio's economic accomplishments. The conference is being held at the Hilton Cincinnati Netherland Plaza, and attendees will be staying in Cincinnati for at least two days and many will be attending a Cincinnati Reds game. This is a unique time for Ohio to have the attention of state policy and business leaders from across the nation.

### **Call Script:**

Hello, my name is \_\_\_\_\_ and I am serving on the Host Committee for the American Legislative Exchange Council's (ALEC) Spring Task Force Summit being held in Cincinnati April 29-30. Nearly 500 state legislators and business leaders from across the nation will be in attendance, and we are trying to involve as many Ohio businesses as possible. Although there will be legislators from across the nation, we are expecting a higher attendance from Ohio and the surrounding states.

ALEC's nine policy task forces and Board of Directors will be meeting during the day on Friday, April 29<sup>th</sup> and the day will end with the Ohio Reception. This reception will be the primary reception of the conference and is designed to highlight companies that are either based in or do business in Ohio. We have sponsorship opportunities ranging from \$5,000 to \$40,000, and as a sponsor, you would receive recognition in all meeting materials and you would have the opportunity to network with nearly 500 legislators and business leaders.

Can I count on your support to help display Ohio's strong economy at this meeting?

Ed,

First, I want to make sure you got my check from Crown Cork & Seal.

Secondly, is someone handling thank you notes? If so, I would like to have one sent to the Crown Executive who cut the check. The executive's name and contact information is:

Mike Dunleavy

Vice President For Corporate Affairs

That's a loaded question. It has crossed my mind but I haven't thought about it too much. I have heard rumblings that Rep. John Adams was on the hunt for large corporate dollars for the April meeting in Cincinnati but I haven't been hunted down yet.

To be honest, ALEC has never received much traction at my company since it has a broader, all-business constituency, and is not specifically targeted to insurance like some other groups, i.e., NCOIL. That being said, the Cincinnati venue might make us more prone to do more given the large number of Ohio legislators expected to attend.

**Subject:** RE: Cincinnati Call Lists

Ed,

I called Connie Nolder. She said she sent the check to you back in February. The check was by Ilene Sottile with LKQ. But after looking at my list of people who's checks have been deposited into our account, I don't see it listed.

What do you want to do about that one?

John has phone calls into Bergdoll & Dever on Friday. He'll call them again today.

Ed mentioned that you guys were collecting names from the Ohio delegation and staff to attend the baseball game. How many tickets should we reserve for you guys? Do you have a list we can see in order to make sure the tickets are handed out correctly?

There has been a great response and feel you guys will have a full house ☺

Thank you again for doing this.

That's a loaded question. It has crossed my mind but I haven't thought about it too much. I have heard rumblings that Rep. John Adams was on the hunt for large corporate dollars for the April meeting in Cincinnati but I haven't been hunted down yet.

To be honest, ALEC has never received much traction at my company since it has a broader, all-business constituency, and is not specifically targeted to insurance like some other groups, i.e., NCOIL. That being said, the Cincinnati venue might make us more prone to do more given the large number of Ohio legislators expected to attend.

Hi Megan and Kara,

Ed mentioned that you guys were collecting names from the Ohio delegation and staff to attend the baseball game. How many tickets should we reserve for you guys? Do you have a list we can see in order to make sure the tickets are handed out correctly?

There has been a great response and feel you guys will have a full house ☺

Thank you again for doing this.

Hi Megan and Kara,

Ed mentioned that you guys were collecting names from the Ohio delegation and staff to attend the baseball game. How many tickets should we reserve for you guys? Do you have a list we can see in order to make sure the tickets are handed out correctly?

There has been a great response and feel you guys will have a full house ☺

Thank you again for doing this.

Best,

Rachel

Laura and I were both there when it happened. It was right at noon and we were very busy... He came up and said he was registering for himself and 2 other people. We did tell him that we'd be happy to register him, but we'd have to check on the other 2 people. Since he wasn't on the guest list, we asked him who he spoke with at ALEC. He had no idea. I asked him to wait and I'd do some checking for him, but he didn't want to wait. He just gave me his card and said never mind and left. I gave the card to Jonathan Moody later and he said he'd take care of the issue. We thought it was strange that they were getting 3 people in for only a thousand dollar donation.

Ed – I was on vacation last week and just learned that the 3 guys we sent over to the ALEC luncheon on Friday were turned away at the door because they were not on the attendee list, even though Ed Owens from our office e-mailed John Moody on 4/22 RE: his attendance. I'm not going to send them the 1k donation. Not your issue – but I wanted you to know. Weird approach to cultivating donors on the part of ALEC.

Laura and I were both there when it happened. It was right at noon and we were very busy. He came up and said he was registering for himself and 2 other people. We did tell him that we'd be happy to register him, but we'd have to check on the other 2 people. Since he wasn't on the guest list, we asked him who he spoke with at ALEC. He had no idea. I asked him to wait and I'd do some checking for him, but he didn't want to wait. He just gave me his card and said never mind and left. I gave the card to Jonathan Moody later and he said he'd take care of the issue. We thought it was strange that they were getting 3 people in for only a thousand dollar donation.

Ed – I was on vacation last week and just learned that the 3 guys we sent over to the ALEC luncheon on Friday were turned away at the door because they were not on the attendee list, even though Ed Owens from our office e-mailed John Moody on 4/22 RE: his attendance. I'm not going to send them the 1k donation. Not your issue – but I wanted you to know. Weird approach to cultivating donors on the part of ALEC.

All,

I hope your week is off to a good start. Fantastic event in Cincinnati. Thanks to all of you for your help in making the event possible!

Last week I received a \$20K check from Duke listed as being for the OH scholarship fund. Initially I thought some of that \$20K went to the Cincinnati event. I've tried connecting with the Duke folks to find out specifically what the breakdown on that was. Would any of you happen to know?
