We will make sure they are taken care of. Just keep track of the ticket distribution and let's not advertise what we're doing for him.

We'll just deal with these on a case by case basis.

Ed mentioned that you guys were collecting names from the Ohio delegation and staff to attend the baseball game. How many tickets should we reserve for you guys? Do you have a list we can see in order to make sure the tickets are handed out correctly?

There has been a great response and feel you guys will have a full house ☺

Thank you again for doing this.
